

JOB ANNOUNCEMENT

Hyde County Health Department

Position: Public Health Nurse II – Communicable Diseases

Position No. 481-50-156

Salary Range: \$38,664 - \$59,929

Description: This nursing position primarily concentrates on prevention and management of communicable diseases (sexually transmitted infections, tuberculosis, et al). Part of this process requires epidemiological work related to investigations, causes, and surveillance of communicable disease. Also involved in this position is the management and oversight of the Immunization Program, including coordinating influenza clinics, vaccine inventory, and targeting vaccine coverage for children 0-2 years of age. A smaller portion of this position is Infection Control management and an Employee Health program specific to Infection Control.

Work Schedule: Hours are primarily Monday through Friday 8:00 a.m. to 5:00 p.m. with one hour for lunch.

Minimum Training and Experience: Graduation from an accredited school of nursing with two years of professional nursing experience including one year in public health; or an equivalent combination of training or experience. Must have a current license to practice as a Registered Nurse in North Carolina by the N. C. Board of Nursing.

Special conditions for employment: Prior to employment, the successful applicant will be asked to submit to pre-employment screenings. Applicants must possess a valid NC driver's license.

Deadline for submission of applications: Open until filled

To apply, submit original, signed and dated State Application (PD 107) and transcripts to:
